

Muncha! Muncha! Muncha! Prompt 1

Have student find 5 objects outside (or you could already have 5 objects). Students will draw the object in its natural setting, identify the name of it and write a complete sentence about that object.

Muncha! Muncha! Muncha! Prompt 2

Go outside and find a spot to sit. For a short amount of time, have the students sit and watch the world around them. Write down everything they see. Go back in the classroom and have students write sentences using what they saw. Begin with "I went outside and sat on the grass. I saw.... Then I saw..."
